EMERIC OUNTY...te Probate Court, Septiment, 1882.

HOOD'S SARSAPARILLA Is designed to meet the wants of a large por-tion of our people who are either too poor to employ a physician, or are too far removed to easily call one, and a still larger class who are not sick enough to require medical advice, and yet are out of sorts and need a medicine to build them up, give them as ap-petite, murity their blood, and oil up the maetite, purify their blood, and oil up the ma-hinery of their bodies so it will do its duty illingly. No other article takes hold of the ystem and hits exactly the spot like

HOOD'S SARSAPARILLA It works like magic, reaching every part of the human body through the blood, giving to all renewed life and energy.

By friend, you need not take our word.
Ask your neighbor, who has just taken one bottle. He will tell you that "It's the best dollar I ever invested."

MISSIA C. I. HOOD & CO.: Dear Sirs—Although greatly prejudiced against patent modelness in general, I was induced, from the excellent reports I had heard of your Sarsaparlilla, to try a bottle, last December, for dyspensia and general prostration, and I have received very gratifying results from its use. I am now using the second bottle, and consider it a very valuable remedy for indigestion and its attendant troubles.

(Firm of Carter & Churchill.)

has been suffering from the Doblity and Languer 10 Pounds peculiar to this season, 10 Pounds says: "Hoop's Sarsaparrilla is putting new life right into me. I have gained ten pounds since I began to take it." Has taken two bottles.

HOOD'S SARSAPARILLA IS sold by all drug-gists. Price \$1 per bottle; six for \$5. Pro-pared by C. I. HOOD & CO., Lowell, Mass. STATEMENT

KNOW THYSELF. A Book for Every Man! Young, Middle-Aged and Old.

Young, Middle-Aged and Uld,
The unfold miseries that result from indiscretion
in early life may be alleviated and cured. Those
who doubt this assertion should purchase and read
the new medical work published by the Peabody
Medical Institute, Boston, entitled, The Science
of Life; or, Self-Preservatien. It is not only a
complete and perfect treatise on Manhood, Exhausted Vitality, Nervous and Physical Deblity, Premature Decline in man, Errors of Youth, etc., but it
contains one hundred and twenty-five prescriptions
for acute and chronic diseases, each one of which
is invaluable, so proved by the author, whose experfence for 21 years is such as probably never he
fore fell to the fot of any physician. It contains 300
pages, bound in beautiful embossed covers, full
gill, embolished with the very fluest sievel engravlugs, guaranteed to be a finer work in every sensemechanical, literary, or professional-than any
other work retailed in this country for \$2.50, or the
money will be refunded. Frice only \$1.25 by mall
Gold Medal awarded by the National Medical hacciation, to the officers of which the author refers.

Hustrated unuple sent on receipt of the cents. Sent now. Address PE & BODY MEDICAL INSTITUTE by Dr. W. H. PARKER, No. 4 Bullinch Street. Bos-ton, Mass. The author may be consulted on all dis-ases requiring akili and experience. 1728

BACK CARTER, HARRIS & HAWLEY, MANHOOD! OF LIFE

Bradford, Bradford Center, Sept. 27. Mercer, Mercer Village, Oct 3-4. Richmond, Richmond Fair Grounds, Oct. 3.
Windham, Pleasant River House, Oct. 3.

A young man who will soon reach majority writes us, asking our advido for a living. He says he has reared upon a farm and has received a common school education; that he if we do not think there are other call which he would be surer of suc with less of hard labor and confinent We presume there are to-day hundred young men in Maine who are either as themselves or others, the above, or sin questions. As almost every young reaches the threshold of manhood, question comes up, What shall I do? V questions too, for the life success of all wery young man depends upon the n which he starts out. If he select trade or profession that is congenial an which he is adapted, and pursues it

tain of a good measure of success. and hopes. As to trade, it is a precario business—an occupation in which for nine persons fail where one achieves a marked success; and with the sharp co petition which now pervades all branch of mercantile business, and the conseque

small margin of profit that can be realize it is much more hazardous as an occup

you may choose, pursue it with ardor, bu always subordinate to these cardina

But to the young man who writes us for dvice, who seems to have no predelection for any particular calling, and to other similarly situated, we would ask, why no atick to the farm? We are well aware of he tendency in young men who have been rn and reared upon the farm, to desire to st away from farm life as soon as they We can recall numerous instances where young men, while at home upon the promise of making excellent, practial farmers, but as soon as they became of se have left the farm to engage in somecelse. As a rule, we do not believe have bettered their condition by so K, and in very many instances we they are worse off. Stick to the farm? Agriculture is a noble occupation and as remunerative as any. It is also ng more popular every year. No young farmer should permit himself to feel inferior to the professional man or city resident. The brown hand and cheek indiare blood, good digestion and perfect th. Life in the open air is invigorat-2. and manual labor, instead of being grading, is elevating. There is also uch that is attractive about the well

ged farm. The work is diversified,
